

AGREEMENT OVERLAP & CONFLICT MATRIX

Spot where two or more long-term agreements may compete for the same land, access, timing, or rights

Use one row per overlap issue. Compare the actual documents and exhibits before assuming two projects can coexist.

OVERLAP ISSUE 1

Agreement / project A

Agreement / project B

Land / route / area involved

Conflict or overlap type

Rights or obligations that may collide

Action / document to review / consent needed

OVERLAP ISSUE 2

Agreement / project A
